

DE GRUYTER

With our passion for serving academic communities, here are nine reasons to join a distinguished line of satisfied authors:

- 1** Author-centered and responsive, we offer you a personal service
- 2** We combine quality with speed, with publication in under a year
- 3** Committed to excellence, we peer review everything we publish
- 4** Our company values define us: Partnership, Courage, Openness and Competence
- 5** A leader in OA, we offer one of the most affordable and largest open access book programs
- 6** We are the trusted partner to top university presses, hosting their digital books alongside our own
- 7** We work with scholars on every continent, aligning our practices to support and protect marginalized scholars
- 8** Your book will be distributed and discoverable across the globe
- 9** Innovative and curious about new products, we push the boundary of what is possible in digital publishing

9 REASONS FOR CHOOSING DE GRUYTER

degruyter.com

Are you an academic author looking for a publisher with experience, integrity, and a commitment to serving your needs? Choose De Gruyter. We are an independent, international publisher with more than 270 years of experience providing exceptional publishing services to authors such as yourself worldwide. Our backlist includes books by the Brothers Grimm, Goethe, Heinrich von Kleist, Immanuel Kant, Nietzsche, and Noam Chomsky, to name a few.

PUBLISHING OPTIONS

We provide a range of formats, including high-quality hardbacks, convenient eBooks, and low-priced paperbacks, giving you options that best fit your needs. An early adopter of open access publishing, with thousands of titles in gold open access and hundreds more each year, we offer one of the largest and most affordable open access book programs—just one of the ways in which we ensure that our publications are accessible to readers all over the world.

LOCAL ATTENTION, GLOBAL IMPACT

Headquartered in Berlin and Boston, with offices worldwide, we work with scholars on every continent, offering services and distribution across the globe. We attend all the major US conferences in our subject areas, and we are excited to connect with you to explore your publishing needs.

SUBJECT AREAS

We offer a diverse range of publications, from books and journals to online resources and reference works, covering a wide range of academic disciplines in the humanities, social sciences, and arts. We are always looking to push the boundaries of traditional publishing to meet the ever-evolving needs of scholars in the 21st century.

OUR MISSION

What sets us apart from other publishers is our commitment to our company values of partnership, courage, openness, and competence. We believe in partnering with you to ensure you receive the attention and support you need throughout the publication process.

AWARD-WINNING WEBSITE

Winner of the 2022 Best Publisher UX Award for our user-centric approach and philosophy for delivering exceptional user experience, degruyter.com has more than 5 million visitors per month. We partner with and host the content of many university presses and scholarly publishers around the world. Our books and content are accessed and downloaded by millions of researchers each month.

AUTHOR CARE

As a family-owned publisher, we extend the idea of family to our authors. Our passion for books and consideration for authors is regularly cited as one of the reasons people are most satisfied with their publishing experience with us. You will receive prompt, practical, and thoughtful answers to your questions throughout the publishing process.

EDITORIAL INTEGRITY

Our peer-review process is an essential part of everything we publish, and we combine quality with speed, with publication possible in under a year. We have a reputation for quality and innovation and our acquisitions editors are subject-area experts in their fields. We are continually evaluating and updating our practices to support and serve our authors, including those who are marginalized or vulnerable.

Our team of subject matter experts is always eager to collaborate with authors on new manuscripts or book ideas.

Contact us today if you have a publishing project to discuss and become part of our esteemed community of authors.
