Frequency of publication: It is a publication that comes out every three months (January-March, April-June, July-September, October-December) at the beginning of each period.

Articles published per year: 25-29

Minimum and maximum length of articles: 10.000 words

Languages of submission: Spanish, English and Portuguese

Translation policy: yes

Peer review process: Double-blind review

Approximate acceptance rate: 20%

Disciplines covered: Political Science and International Relations

Quantitative-qualitative balance: 40/60 %

Editorial philosophy: The objective of *Colombia Internacional* is to disseminate previously unpublished contents (in Spanish, English and Portuguese) that will promote national and international debate in the fields of Political Science and International Relations, by means of the analysis of political phenomena past and present, from the viewpoints of relevant and innovative disciplinary and interdisciplinary methodological approaches. In this way, it seeks to broaden and circulate knowledge that will make it possible to understand, in rigorous scientific terms, the recent findings, debates and reflections of the national and international academic community.

Use of photographs or graphics: Monochrome in print and online version

Are proposals for special guest-edited thematic issues considered? Yes

Other special features of the journal: the journal's new classification in SCOPUS (Database of abstracts and citations for scholarly journal articles) corresponds to Q3.

Social media presence: Facebook/twitter

Planned future developments: Improve our digital edition and webpage.
