## UNDER GLOBALIZATION:

### Political Violence, Elites and Security

Join us for a round table panel to discuss and celebrate the book launch of "Paramilitary Groups and the State under Globalization: Political Violence, Elites and Security", edited by Jasmin Hristov, Jeb Sprague and Aaron Tauss (London: Routledge, 2022)

This book examines the phenomenon of paramilitarism across Latin America and the Caribbean, Eastern Europe, Africa, and Asia, offering a nuanced perspective while identifying key patterns in the way paramilitary violence is implicated in processes of capital accumulation, state-building, and the reproduction of social power.
