Reviews

"...This volume is the 'go to' source for scholars and students of critical development studies. It provides the highest levels of scholarship and knowledge around the history, content and scope of the field with relevance for challenging and posing contemporary policy and activism."

Ben Fine, School of Oriental and African Studies (SOAS), University of London, UK

"...[This book's] chronicling of the trajectory of development studies will be particularly useful to contemporary scholars to see their ideas in a historical context."

Ananya Mukherjee Reed, University of British Columbia Okanagan, Canada

"The second edition of [this book] offers a theoretically sophisticated, comprehensive and highly accessible guide to the growing field of international development studies from a critical perspective. It will be an indispensable guide for academic researchers (students and senior scholars) as well as activists and development policy practitioners."

Saturnino M. Borrás Jr., International Institute of Social Studies (ISS), the Netherlands

"...Here critical development scholars have both charted and navigated an extensive archipelago of ideas to produce this guide. This updated and expanded edition covers many crucial debates and is indispensable."

Barbara Harris-White, FAcSS, Oxford University, UK
