

LASA2022 Submission Instructions for Individual Proposals

Online Submission Deadline: September 9, 2021, 17:00 hrs, EDT.

What is a Panel Proposal?

A panel proposal is a group of individuals who want to submit all of their paper proposals together for consideration by the track chair as a prearranged session. Panel proposals must have a minimum of three and a maximum of five papers presenters.

Panels should have at least one session organizer (maximum two) and one chair (maximum two). The role of discussant is not mandatory but is highly recommended. If desired, the discussant must be submitted at the time of the proposal. Only one discussant is allowed. Individuals interested in organizing a panel can do so by contacting colleagues in their area of interest.

Before you begin, please note:

- All panel participants (including co-authors) must be current LASA members. Membership must be renewed by the deadline of **September 9, 2021, 17:00 hrs, EDT**. For other key dates, please visit: <https://lasaweb.org/en/lasa2022/important-dates/>
- If a name does not appear in the proposal system, it is because that person is not a current LASA member. Please ask him/her to join or renew his/her LASA membership: <https://lasaweb.org/en/join/>
- You will not be able to save a proposal in the system in order to continue working on it at another time. You must first submit the proposal and then you will be able to edit it. When you have submitted it correctly, you will see a confirmation message on your screen and you will receive an email. You will be able to edit the proposal until the deadline of **September 9, 2021, 17:00 hrs, EDT**.
- If you would like to submit two panels whose themes have continuity, meaning the second panel is a continuation of the first one, please submit them as two separate panel proposals on the same track. The titles should be the same for both panels indicating the order (Part 1 and Part 2). Labeling the panels as mentioned above is important for both panels to be evaluated jointly, and not as separate sessions. Hence, if they are accepted into the Congress program, both panels will be scheduled in chronological order: Part 1, and then Part 2. Please keep in mind that we cannot guarantee that the panels will be held one immediately after the other or in the same room. However, we will ensure that Part 1 is held before Part 2.
