

LASA2022 Submission Instructions for Workshop and Roundtable

Online Submission Deadline: September 9, 2021, 17:00 hrs, EDT.

What is a Workshop?

A workshop proposal is a group of individuals who want to hold a workspace (without papers) and submit it for consideration by the track chair as a prearranged session. Workshops provide an opportunity for the exchange of information and ideas among several individuals. They are organized to address a theme; the discussion is informal and does not include formal paper presentations.

Workshop proposals must have a minimum of three presenters (without paper) and there is no maximum. Workshops should have at least one session organizer (maximum two) and one chair (maximum two). The discussant is not mandatory but highly recommended. Only one discussant is allowed.

What is a Roundtable?

A roundtable includes a space for groups or research teams already formed or formed ad hoc to debate and present their progress or results on research or on topics of concern. A roundtable participant is not considered a paper presenter since these sessions do not have formal paper presentations. Roundtable participation counts as an active role.

Roundtable proposals must have a minimum of three presenters (without paper) and there is no maximum. Roundtables should have at least one session organizer (maximum two) and one chair (maximum two). The discussant is not mandatory, but highly recommended. Only one discussant is allowed.
